# Logic and Theoretical Computer Science

Akim Demaille akim@lrde.epita.fr

EPITA — École Pour l'Informatique et les Techniques Avancées

June 10, 2016

# Logic and Theoretical Computer Science

1. Lambda calculus
2. Simply typed lambda calculus
3. Natural deduction for classical logic
4. Sequent calculus, cut elimination
5. Lambda Calculus / Deduction systems
6. Intuitionistic logic
7. Curry-Howard isomorphism
